### **CAMPUS SECURITY POLICIES**

#### **Campus Security Policy and Statistics Report (Also refer to School Catalog)**

Campus security statistics are updated and distributed by **October 1 each year**. **Jeanne Clery Disclosure of Campus Security Policy and Campus Statistics Report** can be found at [www.fei.edu/consumer-information](http://www.fei.edu/consumer-information) and is distributed to every employee annually by October 1st and is available to prospective employees and students at their request. In addition, this information is readily available for anyone to review online in the School's website at any time.

#### **Dialing 911**

Emergencies come in many forms and situations. Therefore, the best policy if for anyone, student and employee, to feel free to call 911 should he/she determine it is necessary. Safety is everyone's responsibility.

#### **Reporting of Criminal Actions and Emergencies**

FEI students and employees should report immediately all observed criminal actions and bona fide emergencies any staff or faculty member at FEI, who are required to use common sense safety measures first (if necessary) and then report all reportable incidents to the Campus Director or senior administrator present. All crimes that occur on campus should be reported immediately to the Campus Director or administrator on campus. If a crime occurs and there is no time to report it to the Campus Director or administration or they are unavailable, please contact the appropriate law enforcement agency immediately.

Students, staff and faculty involved in or witness to a crime are encouraged to give accurate and immediate information to the appropriate law enforcement agencies for all reported crimes.

## **Incident Report/Reporting to Authorities**

The Campus Director or administrator to whom the crime or emergency is reported will complete an **Incident Report** and make written notation, including names, date and time of the reported incident and will remain on duty to assist the police in establishing details of the incident reported. Further, the Campus Director will maintain a file of such reported incidents and will endeavor to learn and note the conclusions. In the absence of both the Campus Director or an administrator, reporting of criminal actions, and/or emergencies to the appropriate authorities should be undertaken directly by the employee or student who has either been victimized or has observed an alleged criminal action. FEI maintains a working relationship with our local police department.

## **Statement of Student Responsibility for Enrollment/Participation in the following Programs:**

### **Culinary Arts**

### **Pastry and Baking Arts**

### **Heating Ventilation and Air Conditioning/Refrigeration**

FEI provides a practical, hands-on learning environment to each of its students. Students will be required to participate in a variety of hands-on learning experiences on or off campus, consistent with training in the culinary, pastry and baking, HVAC/R professions. As a FEI student, each student in these particularly hazardous programs assumes the risks and responsibilities inherent in the technical educational environment and process.

At FEI, observation, practicum, application hands-on instruction and other educational experiences may at times involve inherent risks, dangers, and hazards to which professionals in said programs (professions) are exposed, along with the normal risks of functioning in American society. Although FEI can assume no responsibility for any of these risks, we do attempt to provide a safe environment and to instruct students in safe practices and procedures. However, we are not immune to injury in the course of our daily lives, work, or field of study, so students should conduct themselves with due and reasonable care in all of their actions.

All Culinary Arts, Pastry and Baking Arts, and HVAC/R program students/participants in a credit theory, laboratory, practicum, externship, or hands-on credit or non-credit class must read and adhere to the campus safety, emergency procedures, and other student pertinent rights and responsibilities found in [www.fei.edu/consumer-information](http://www.fei.edu/consumer-information) and all appropriate safety and sanitation rules and precautions.

Students must decide whether or not to apply for admission, participate, and expose themselves to the possible inherent risks, dangers, and hazards of the Culinary Arts, Pastry and Baking Arts, and HVAC/R programs at FEI. If a student chooses not to participate in a specific required activity during the program for any safety reason, they should request at that time to discuss the risks and program requirements with the Campus Director.

## **WARNING and NOTIFICATION of HAZARDS and RISKS**

---

All occupations within the Culinary Arts, Pastry and Baking Arts, and Heating, Ventilation, and Air Conditioning/Refrigeration (HVAC/R) professions have inherent risks that prospective students should be aware of. The purpose of this Warning of Hazards and Risks is to bring students' (parents') attention to the existence of potential dangers, to aid them in making an informed decision concerning participation in the student's respective program.

Occupational hazards for the above professions and educational programs include, but are not limited to:

- Cuts and abrasions due to handling sharp objects
- Slips and springs due to wet, slippery or uneven floors
- Strained muscles and backs due to lifting of heavy objects
- Exposure to foods that one may be allergic to
- Exposure to hazardous chemicals
- Accidental injury in an internship or practicum experience or in route to or from an externship or practicum experience
- Injury or illness that can affect one's personal health or the health of an unborn child
- Scalding and burns that may result in permanent disfigurement, disability or death

An injury or illness can impair one's general physical and/or mental health and may hinder one's future ability to earn a living, engage in business, social, or recreational activities, or generally impair one's ability to enjoy life. There may also be risk of injury, illness, or death resulting from causes not specified in the WARNING and NOTIFICATION of HAZARDS and RISKS.

In addition to acknowledging hazards and risks, the applicant must take responsibility regarding matters of safety involving self and others. After receiving instruction, students will be expected to demonstrate safety practices. Students must inform the instructor as well as the school administration, in writing, of any relevant personal medical condition that might be hazardous or risky to self or others. A student may be required to submit permission from his/her personal physician to participate in program education activities. Each student is responsible for obtaining his/her own health insurance. If a student and/or participant wants to be covered, he/she must also purchase his/her own liability insurance, including if one is required by a practicum or externship site.

#### **Campus Security Personnel**

FEI maintains an Safety and Emergency Management Team (STEM) consisting of the Campus Director and President, at a minimum, and other key personnel for assuring the safety of all those associated to FEI and their security while on school premises. FEI may elect to contract with local police agencies to provide security at some school sponsored events.

#### **Student and Employee Orientation and Awareness**

FEI conducts new student orientation each time new students start a program. This orientation includes information about on-site security and crime awareness. Employees are informed of crime reporting policies, campus policies and crime statistics at the time of their employment and are given updates yearly. Further, all students are informed of FEI's drug and alcohol policy as a condition of eligibility to participate in Title IV financial assistance programs. FEI has no other specific program designed to inform students and employees about the prevention of crimes, except for those described herein and occasional announcements from outside authorities.

#### **Preparing the Annual Disclosure of Criminal Statistics**

All incidents are reported and documented by way of an **Incident Report**, which is sent immediately to the President. The Incident Reports are separated between what is a reportable crime or offense from health or accident incidents. Reports are kept in a secure location in the Campus Director's office. The annual crime report is prepared by gathering campus crime statistics and data from the local police department and other relevant information by the Campus Director.

### **Alcohol and Drug-Free Policy**

This policy applies to all employees and students. Alcoholic beverages or drugs/medications (except when prescribed by a licensed physician) are not permitted to be used, possessed, sold, distributed on school premises or when participating in a school-related function or activity. This policy applies to all employees and students. FEI strives to maintain a school and workplace that fosters mutual respect for all employees and students. FEI is committed to and promotes harmonious, productive working relationships and learning environment. Our organization believes that discrimination and/or harassment in any form constitutes misconduct that undermines the integrity of both the employment relationship and the student’s learning relationship with an instructor or any member of the FEI staff.

Harassment or unlawful discrimination against individuals on the basis of race, national origin, religion, sex, disability or any other classification protected by state or federal laws is illegal and prohibited by FEI policy. Such conduct by or towards any employee, student, contract worker, vendor or anyone else who does business with FEI will not be tolerated. To the extent an employee, student, vendor or other person with whom FEI interacts with or does business with engages in unlawful harassment or discrimination, FEI will take appropriate corrective action, including but not limited to the appropriate law enforcement authority. There will be no retaliation for reporting in good faith any behavior or conduct that violates this policy.

### **PERSONAL RESPONSIBILITY**

The cooperation and involvement of students, faculty and staff is absolutely necessary. Every individual must assume responsibility for their own safety and the security of their property by following simple precautions and operating with common sense.

### **VIOLENCE AGAINST WOMEN ACT**

The Violence Against Women Act (VAWA) is a federal law that was implemented in 1994 in recognition of the severity of the crimes associated with domestic violence, sexual assault, and stalking, as part of the Violent Crime Control and Law Enforcement Act of 1994. VAWA was reauthorized in 2000, 2005, and 2013 to strengthen the law.

The Violence Against Women Act provides protection to women against crimes of sexual violence. The act was amended on several occasions and placed new obligations on colleges and institutions to report and conduct educational programs under its Campus Sexual Violence Act (Campus SaVE Act), which amended the Clery Act.

The 2013 VAWA Reauthorization added a non-discrimination provision that prohibits discrimination on the basis of sex by organizations that receive funding under the Act and allows an exception for "sex segregation or sex-specific programming" when it is deemed to be "necessary to the essential operations of a program".

Critical to ending violence and maintaining a safe campus is recognizing and avoiding abusive behavior. Abuse can surface in many ways (emotional, verbal, psychological, sexual, and physical). Some warning signs of abuse are:

- Frequent yelling directed at a partner
- Blaming partner for own faults
- Name-calling
- Consistently accusing partner of infidelity
- Kicking, holding, slapping, and scratching
- Forcible sex (e.g., wanting sex after hitting)

### **Impact on FEI**

All institutions are charged with adopting the following VAWA requirements:

- A statement that the institution prohibits the offenses of domestic violence, dating violence, sexual assault, and stalking
- A clear definition of what constitutes domestic violence, dating violence, sexual assault, and stalking in the applicable jurisdiction
- A definition of consent in regards to sexual activity, in the applicable jurisdiction
- Safe and positive options for bystander intervention in order to prevent or intervene when there is a risk of sexual violence or stalking against another individual

- Information on risk reduction to recognize warning signs of abusive behavior or how to avoid potential attacks

## **FEI's VAWA Policy Statement**

Florida Education Institute is committed to maintaining a safe and secure work and academic environment free of any form of sexual misconduct including domestic violence, dating violence, sexual assault, stalking, and sexual harassment. A violation of the Violence Against Women's Act shall constitute grounds for disciplinary action, up to and including, dismissal from the College.

### **VAWA Resources:**

You can help to ensure that victims have access to services they need to feel safe and receive counseling. Direct the victim to the following resources:

City of West Miami Police Department (Students, Faculty, Staff, Other)

Campus Director (Students)

## **Sexual Harassment and Violence Defined**

### **Consent**

"Consent" means intelligent, knowing, and voluntary consent and does not include coerced submission. "Consent" shall not be deemed or construed to mean the failure by the alleged victim to offer physical resistance to the offender. Giving in is not the same as giving consent.

**Speak out** against all forms of sexual violence.

**Be an advocate** for preventing sexual violence.
